INTRODUCTION

PROFILE OF THE COLLEGE

Rajiv Gandhi Arts and Science College, located in Thavalakuppam, Puducherry, plays a crucial role in providing higher education to rural students. Originally established in 1995 as an annexe of Tagore Arts College, which was founded by then Prime Minister Jawaharlal Nehru, the institution became independent and was renamed Rajiv Gandhi Arts and Science College. In March 2007, following the amalgamation of UTPASTICS with the Union Territory of Pondicherry Colleges of Education Society, the college became part of the newly formed Pondicherry Society for Higher Education (PONSHE). Registered under the Society Act 1860, it received approval from the Lt. Governor of Puducherry to function under its current name.

Affiliated with Pondicherry University, the institution offers five undergraduate programs in Arts and Science disciplines.Initially from 1995, the college offered two undergraduate courses: B.Com. (General) and B.Com. (Co-operative Management), each with an intake of 30 students. By 2010, the college expanded its offerings to include Bachelor of Business Administration (B.B.A.), Bachelor of Computer Science (B.Sc. Computer Science), and Bachelor of Computer Applications (B.C.A.), each with an intake of 30 students. Currently, all departments have an intake capacity of 60 students, accommodating a total of 900 students through the centralized admission process managed by CENTAC.

In a significant development, the college introduced the National Education Policy (NEP) curriculum starting from the academic year 2023. This new curriculum aims to enhance educational quality and flexibility, aligning with the NEP's focus on holistic, multidisciplinary learning and competency-based education.

The college is situated on a spacious five-acre campus in a rural area, which provides convenient access for local students. The college is not only focused on academic excellence but also on holistic student development. The Career Guidance and Counselling Cell plays a crucial role in preparing students for the job market, offering advice, resources, and support to help them secure employment. Additionally, the college has invested in infrastructure to support physical and extracurricular development. An indoor stadium provides a venue for various sports and activities, while a 400-meter athletic track enhances opportunities for athletic training and events.

Beyond academics and infrastructure, Rajiv Gandhi Arts and Science College actively engages in several central schemes aimed at community development and environmental sustainability. The college participates in **Swachh Bharat Mission**, focusing on cleanliness and sanitation both on campus and in the surrounding community. It is also involved in the **Viksit Bharat Mission**, which aims to promote holistic development and progress in rural areas. Additionally, the college supports **Mission LiFE (Lifestyle for Environment)**, which encourages sustainable and eco-friendly practices to combat climate change and environmental degradation.

Extracurricular activities are encouraged through programs like N.C.C. (National Cadet Corps), N.S.S. (National Service Scheme), Village Adoption program and R.R.C. (Red Ribbon Club), all aimed at fostering leadership, community service, and personal growth.

The administration of the college is overseen by the Secretary to the Government (Education), who serves as the Chairman of the Society Colleges run by the Government of Puducherry. The Director of the Directorate of Higher & Technical Education acts as Member Secretary, contributing to the overall functioning of PONSHE, while the Principal manages the college's day-to-day operations. The institution's vision and mission reflect a commitment to providing comprehensive education and contributing to the socio-economic development of the rural community, adhering to the principle of "Education for All."

COURSE CURRICULUM

National Education Policy (NEP)

The Government of India has introduced the National Education Policy (NEP - 2020), to improve educational quality and flexibility, with an emphasis on holistic, multidisciplinary learning and competency-based education. This would bring significant reforms to the delivery and governance of higher education in the country. Pondicherry University has adopted the NEP and its Curriculum Framework from the Academic Year 2023-24 for both its campus and affiliated colleges.

In line with this, the college implemented the NEP curriculum for first-year students starting in the academic year 2023. However, for the 2023 batch, it would be a three-year program with NO multiple entry and exit options, whereas the NEP generally provides for a four-year program. For students in earlier batches, the college continues to use the Choice Based Credit System (CBCS).

Details about the NEP syllabus and other structural aspects are available on the Pondicherry University website. Students are encouraged to visit the site for additional information. NEP regulations will be applicable to affiliated colleges starting from the Academic Year 2023-24.

Major Highlights of NEP

- Multiple-Entry-Exit options. Exiting students at the end of First Year will be award a Certificate, second year end with a Diploma, third year end with a UG degree and 4th year end with an Honours Degree.
- Summer vacation is allocated for conducting Internships/fieldstudies/exploring/ScientificInnovations/conducting social/community outreach programmes and other similar field/work related programmes.

- Boards of Studies with inputs from different Colleges would design curriculum as per the NEP guidelines.
- Skill development courses for students in collaboration with industry partners. All Colleges are expected to network with skill development centres, vocational training institutes for facilitating student internships.
- Overall monitoring and implementation of NEP will be coordinated by college level NEP coordinating Committee.

CONDUCT AND BEHAVIOUR

1. All the students must attend the College decently dressed. Tight garments such as Jeans, T shirts etc., must be avoided.
2. The possession of ID card in the college premises at all times is must.
